## SUBMIT YOUR WORK FOR YES WEBSITE + INSTAGRAM SHOW | MAY 7

SAPLSA has opened up the web show to any student who completed Winter Term. They have created a template (link below) to make submitting your work as easy as possible.

[Submission Website](#)→

### FAQs:

#### Can I submit group work?

Yes! Just make sure you credit all group members in the description.

#### Can the website projects be the same as the Instagram projects?

Yes! Please crop images for Instagram to a square (aim for 1080x1080px). Website images can be up to 3000px wide.

#### Do I submit individual pictures or the InDesign package?

Either is fine (but not both!) If you submit using an InDesign package, remember that it must be a zipped file or the website will reject the submission.

#### I messed up my submission, can I resubmit?

Yes!

#### Does the work have to be studio work?

No! You can submit any work from your time at SAPL. This includes any design competitions or work you have done in other classes.

#### Do I need a caption for every image I submit?

No! One caption per project/submission is fine.
