VOLUNTEERS NEEDED | PROFESSIONAL DEVELOPMENT OPPORTUNITY

The International Institute of Building Enclosure Consultants (IIBEC) is developing a certification exam for building enclosure commissioning consultants. To test the

efficacy of this new exam, graduate student civil and architectural engineer volunteers are being sought as trial test-takers.

Volunteers chosen for this project, and who complete the multiple-choice exam, will be compensated with a small stipend and a one-year complimentary IIBEC membership. Contact Dr. Nancy Barnes at nbarnes@iibec.org by Nov. 30, 2022.

JOB OPPORTUNITIES

RESEARCH ASSISTANTS NEEDED

The School of Architecture, Planning, and Landscape (SAPL) and the Cumming School of Medicine (CSM) are hiring two students research assistants as part of the Evict Radon National study, an interdisciplinary project that aims to understand and engineer out radon gas as a source of lung cancer within the built environment. Interested students must apply before Nov. 13. [READ MORE](#)

GALLERIES

SAPL_2022 STUDY ABROAD | OPEN HOUSE

Join us for the exhibition's Stantec Gallery Open House on Nov. 17 from 5 to 7 p.m. It's an opportunity to network with industry professionals with backgrounds in Architecture, Planning, and Landscape Architecture and to showcase and celebrate the unforgettable learnings experienced by students immersed in the built environments of Barcelona and Zurich. [REGISTER](#)

UNDER THE HEEL | OPEN HOUSE

Under the Heel showcases the work of three small practices vying to establish themselves within Calgary's architecture and design scene —AITCH, BOLD, and WOA (Works of Architecture). Each firm's unique approach asserts alternative hands-on modes of practice and design. The exhibition's Open House takes place on Nov. 30 at the CBDLab, prior to Design Matters. [REGISTER](#)
