WORKSHOP CLOSURE + CONSTRUCTION

Please note that the workshop will be **closed Friday, July 7 and 14 and there will be no access to the facilities on these days**. Construction will also **commence on June 26** and last for approximately three weeks, so the back half of the shop will be closed to everyone but the technical staff. There will be no access to the large lasers and decreased CNC availability. Thank you for working with us and understanding the predicament at this time.

JOB OPPORTUNITIES

ELEVATE | JOB BOARD FOR SAPL STUDENTS

Are you a student looking for a job? SAPL is now a participant in UCalgary's official job board – **Elevate**.

Students can access this searchable and organizable job board by clicking here. Elevate is accessed by using your myUCalgary login. We hope this platform will easily and more effectively bring attractive job opportunities to more of our students, and do so in a faster and more effective manner.

INTERN ARCHITECT | ACI ARCHITECTURE

ACI Architecture is looking for an intern architect to assist in creating architectural designs and drawings, including floor plans, elevations, sections, details, and more. [MORE INFORMATION](#)

DESIGN BYTES

THE DOWNSIDE OF ARTIFICIAL INTELLIGENCE

It can support architects but lacks empathy and ethics.
